COST travel grants

- Travel grants can be applied now by Deborah Snijders (see registration form)
- Travel grants will be distributed by Deborah Snijders until end of December

Submit your case now!

Case submission and presentation

- Goal is to learn about diffuse parenchymal / interstitial lung diseases (ILD) with the help of cases
- These cases should all later be followed in the Register; therefore they need to be completed accordingly
- Please submit an **epicrisis** as early as possible if you want to present.
First comes-first served base for cases with the same diagnosis!
- **Deadline for submission is End of January 2018.**
- Should there be more cases than slots for presentation during the meeting, all those cases will be peer-reviewed and followed
- See instructions on <http://www.klinikum.uni-muenchen.de/Child-EU/en/cost/cost-meetings/index.html>

Target groups and topics

PRE-MEETING: Case and cohort preparation seminar

Young (also those older who are young in mind) scientifically interested
