

# European Network for Translational Research in Children's and Adult Interstitial Lung Disease

3rd Training school

COST Action 16125: ENTeR-child

March 11-13, 2020

Lisbon, PORTUGAL

March 11th

Day 1 - Afternoon session

**12:00 - 14:00**      **Registration and light lunch**

---

**14:00 - 15:30**      **chILD cases.... Expert Panel Discussion**

*Chairs: Miguel Félix (PT), Pilar Caro (ES)*

*Expert Panel: Fiorella Calabrese (IT) ( Pathology)*

*Diana Manolescu (RO) (Radiology)*

*Pascale Fanen (FR) ( Genetics)*

14:00	Belgium	Marijke Proesmans (B)
14:20	France	Ralph Epaud/Celine Delestrain
14:40	Netherland	Suzanne Terheggen/Brigitte Willemse
15:00	Turkey	Nagehan Emiralioglu (TR)
15:20	UK	Rishi Pabary (UK)
15:40	Discussion	All speakers

---

**15:50 - 16:15**      **Coffee break**

---

**16:15 – 16.35**      Utilization of bioengineering principles to evaluate inhalable medicines for pulmonary fibrosis      Cian O’Leary (IE)

---

**16:35 - 18:00**      **ILD due to systemic causes**

*Chairs: António Morais (Pt), Zorica Zivkovic (RS)*

16:35	Severe lung disease as part of systemic diseases	Julia Carlens (DE)
16:55	Systemic Vasculitis (Behcet's Disease, Eosinophilic granulomatosis with polyangiitis (EGPA, formerly known as Churg Strauss) -	Filipa Ramos (PT)
17: 15	SLE + Systemic Sclerosis e juvenile dermatomyositis ILD	Nural Kiper (TR)

17:35 Discussion All speakers

---

**18:00 – 19:30** Poster walk around and cocktail

---

19:30 Wrap-up of the day and announcement of the winners of the poster section Teresa Bandiera (PT)

---

March 12th

Day 2 - Morning session

**7:30 – 8:30** Work Group meeting 1, 4 and 5

---

**8:30 - 10:30** Treatment in ChILD

*Chairs: Inês Azevedo (PT), Frederick Buchvald (DK)*

8:30 Anti-interferon gamma treatment? Marie-Louise Fremont (Fr)

8:50 How to deal with an exacerbation? Joanna Lange (PL)

09:10 lung transplant in children: the British experience Paul Aurora (UK)

09:30 Discussion All speakers

---

**09:45 – 10:15** Lung development Robbert Rottier (NL)

---

**10:15 -10:45** Fibrotic pattern in the adolescent and young adult António Morais (PT)

---

**10:45 - 11:15** *Coffee break*

---

**11:15- 13:00** The impact of environment

*Chairs: Deborah Snijders (IT), Nural Kiper (TR)*

11:00 Lung immunology and ILD Luís Moita (PT)

11:20 Hypersensitivity pneumonitis: a complex lung disease Mathias Griese (DE)

11:40 Infectious/post infectious ILD Teresa Bandeira/ Ana Saianda (PT)

12:00	Environment and Sarcoidosis	Nadia Nathan (FR)
12:20	Vape induced ILD	Stefania La Grutta (IT)
12:40	Discussion	

---

**13:00 - 14:00**     *Light lunch*

---

March 12th

Day 2 - Afternoon session

**14:00 - 15:15**     **Practical Workshop**

Group A	Lung Ultrasound	Deborah Snijders (IT)
Group B	Research in chILD: from bench to bedside	Pascale Fanen/Celine Delestrain (FR)
Group C	Work with parent's – what can we learn from CF –	Luísa Pereira (PT)

---

**15.15 - 16:30**     **Practical Workshop**

Group A	Work with parent's – what can we learn from CF –	Luísa Pereira (PT)
Group B	Lung Ultrasound	Deborah Snijders (IT)/ Daina Manolescu (RO)
Group C	Research in chILD: from bench to bedside	Pascale Fanen/Celine Delestrain (FR)

---

**16:30- 17:45**     **Practical Workshop**

Group A	Research in chILD: from bench to bedside	Pascale Fanen/Celine Delestrain (FR)
Group B	Work with parent's – what can we learn from CF –	Luísa Pereira (PT)
Group C	Lung Ultrasound	Deborah Snijders (IT)/ Daina Manolescu (RO)

---

17:45	Wrap-up of the day	Deborah Snijders
-------	--------------------	------------------

---

18:00	Core group meeting	Only by invitation
-------	--------------------	--------------------

---

March 13th

Day 3 - Morning session

**7:30 - 8:30**      **Work group meeting 2,3 and 6**

---

**8:30 – 10.30**      **From the study to the paper**

*Chairs: Oana Moldovan (Pt), Steve Cunningham (UK)*

8.30                      Medication trials in rare disease                      Steve Cunnningham (UK)

8:50                      Using a registry for a study                      Mathias Griese (DE)

9:10                      What can we get from adult's ILD trial?                      Carlos Robalo Cordeiro (PT)

9:30                      Genetic forms of pulmonary alveolar proteinosis                      Alice Hadchouel-Duvergé (FR)

9:50                      Discussion                      All speakers

---

**10:10**                      **FUTURE of COST**                      Deborah Snijders (IT)

---

**10:30 - 11:00**      **Coffee break**

---

**11:00 - 12:15**      **Moving to other ILD worlds ...**

*Chairs: Teresa Bandeira (PT) Katarina Krenke (PL)*

11:00                      Lung inflammation                      Bruno Silva Santos (PT)

11:20                      Children to adult transition                      Petr Pohunek (CZ)

11:50                      Pulmonary Langerhans cell histiocytosis in adults                      Abdelattif Tazi (FR)

12:10                      Discussion

---

**12:40 - 13:00**      **Closing remarks and light lunch**

---

# GENERAL INFORMATION

## Date

March 11-13<sup>th</sup> 2020

---

## Conference Venue

Lisbon, Portugal

---

## Organizing Committee

*Dr Ana Saianda and Teresa Bandiera*

Dr. Deborah Snijders (IT)

Prof. Ralph Epaud (F)

---

## Scientific Programme Committee

Dr. Deborah Snijders (IT)

Dr. Nicolaus Schwerk (D)

Prof. Zorica Zivkovic (RS)

Dr. Nadia Nathan (F)

Dr. Frederik Fourirnaies Buchvald (DK)

Prof. Matthias Griese (D)

Prof. Nural Kiper (TR)

Prof. Andrew Bush (UK)

Prof. Steve Cunningham (UK)

Prof. Ralph Epaud (F)

---

# Welcome

As the Chair of the Action, I am proud to welcome you to the 3rd Training school of the COST Action ENTeR-child "European Network for Translational Research in Children's and Adult Interstitial Lung Disease" that will be hosted in Lisbon.

Lisbon is a historical city full of stories to tell, where the sun shines 290 days a year and the temperature rarely drops below 15°C. A city where you feel safe wandering around day or night, where the cuisine is dedicated to creating over a thousand ways to cook the beloved bacalhau (salted cod), and where you'll find hotels and restaurants to suit every taste, budget and requirement. You will find a city full of authenticity old customs and ancient history intermix with cultural entertainment and hi-tech innovation. Lisbon is ageless, but it loves company, as you'll find out if you meet someone and ask them to explain, with lots of gestures and repetition, where the best place is to listen to Fado. After all, Lisbon is famous for its hospitality and the family-like way it welcomes visitors.

Lisbon was the 5<sup>th</sup> World's Leading City Break Destination for 2019!

The meeting will take place at the SANA Metropolitan that is located in the middle of both business and academic "worlds" of Lisbon. At the Entrecampos and Sete Rios neighborhoods you can find a number of companies and just nearby, the Cidade Universitária is the pinnacle of higher education in the Portuguese capital.

With a spacious, contemporary decor, the SANA Metropolitan is a cosmopolitan hotel which offers special comfort for both leisure and business trips to the city. And since it's located close to major roads, it's the perfect choice for people who want to get into or out of the city, and at the same time reach the centre of Lisbon.

We offer you the opportunity to improve your knowledge, discuss clinical cases and interact with experts about children's and adult's interstitial lung diseases.

I look forward to welcoming you to Lisbon

Deborah Snijders
