

PERSONAL INFORMATION

Family name, First name: Schober, Andreas
Researcher unique identifier(s): B-2866-2013 (<http://www.researcherid.com/rid/B-2866-2013>)

• EDUCATION

2009 Board certification „Cardiology”
2007 Board certification „Internal Medicine”
2005 Facultas docendi (Habilitation) and Venia legendi (university teaching credentials) in „Experimental Internal Medicine”. Medical Faculty, RWTH Aachen University, Germany
2000 Doctoral degree (MD), awarded with a *summa cum laude*, Institute for Physiology, Medical Faculty, University of Munich, Germany
1992 – 1998 Completed medical school, Medical Faculty, University of Munich, Germany

• CURRENT POSITION

2012 – Associate Professor (W2) for „Experimental Vascular Medicine”
Institute for Cardiovascular Prevention, Medical Faculty, University of Munich, Germany

• PREVIOUS POSITIONS

2010 – 2012 Director (provisional) of the Institute for Molecular Cardiovascular Research (IMCAR), Medical Faculty, RWTH Aachen University, Germany
2008 – 2012 Associate Professor for "Cardiovascular Biochemistry" (W2-professorship) IMCAR, Medical Faculty, RWTH Aachen University, Germany
2004 – 2008 Medical residency and fellowship in Cardiology
Medizinische Poliklinik, Medical Faculty, University of Munich, Germany
2001 – 2004 Postdoctoral research fellow
Division of Cardiovascular Molecular Biology, Medical Faculty, RWTH Aachen University, Germany
1998 – 2001 Medical internship and residency in Internal Medicine
Medizinische Poliklinik, Medical Faculty, University of Munich, Germany

• INSTITUTIONAL RESPONSIBILITIES

2012 – Faculty member, Medical Faculty, University of Munich, Germany
2010 – 2012 Board member, Interdisciplinary Center for Clinical Research Aachen (IZKF Aachen), Medical Faculty, RWTH Aachen University, Germany
2010 – 2012 Coordinator for Cardiovascular Research, Interdisciplinary Center for Clinical Research Aachen (IZKF Aachen), Medical Faculty, RWTH Aachen University, Germany
2008 – 2012 Faculty member, Medical Faculty, RWTH Aachen University, Germany

• MEMBERSHIPS OF SCIENTIFIC SOCIETIES AND REVIEW ACTIVITIES

- Member of the Munich Heart Alliance (Munich partner site of the German Centre for Cardiovascular Research), of the Working group of the nucleus „Atherosclerosis and Vascular Biology” (European Society of Cardiology) and „Vascular Biology” (German Society of Cardiology), of the Society for Microcirculation and Vascular Biology, and of the German Society for Internal Medicine.
- Member of the Editorial Board of *Arteriosclerosis, Thrombosis, and Vascular Biology*
- Reviewer for *Nature Medicine, Circulation; Circulation Research, Atherosclerosis; Arteriosclerosis, Thrombosis and Vascular Biology; Journal of Cellular and Molecular Medicine; Journal of Vascular Research; Journal of Cellular and Molecular Cardiology;*

Kidney International; The Lancet; Thrombosis and Haemostasis; Journal of Thrombosis and Haemostasis; FEBS Journal; Journal of Lipid Research, Journal of the American College of Cardiology, PLoS One, Clinical Lipidology, DFG, German Foundation for Cardiac Research, Fresenius-Kröner-Foundation.

- Guest Editor for *Thrombosis and Haemostasis* on the theme issue "MicroRNA in vascular biology"
- Coordinator of the international research consortium „Metabolic Syndrome and Atherosclerosis: Role of microRNAs” (funded by the German Ministry of Education and Research)

- **AWARDS**

- 2003 Research Award of the German Society for Cardiac Research
- 2014 Rolf Becker Award (Medical Faculty of the University of Munich and the Foundation „Rufzeichen Gesundheit”, Baierbrunn)
- 2014 Outstanding Achievement Award by the European Society of Cardiology (ESC) Council for Basic Cardiovascular Science
