

## Curriculum vitae, Eva Mezger

### ACADEMIC AND SCIENTIFIC TRAINING

---

- 11/2017 – present      PhD at the Department of Psychiatry and Psychotherapy, University of Munich, Germany (research groups: Prof. Dr. Frank Padberg, Dr. Daniel Keeser, Prof. Dr. Andre Brunoni)
- 03 – 07/2014            Practical semester at the Department for Psychotherapy and Psychiatry, University of Münster, Germany (Prof. Dr. med. Patricia Ohrmann and Dr. Jochen Bauer - depression, brain imaging (MRS, fMRI))
- 10/2015 – 10/2017      Master of Science in Molecular Biosciences Major Neurosciences at the Karlsruhe-Ruprecht-University in Heidelberg, Germany - including research internships at the Interdisciplinary Center for Neurosciences (IZN) in Heidelberg (molecular neurophysiology, Calcium signalling, trauma) and at the Zentrum für Seelische Gesundheit (ZI) in Mannheim (animal research, addiction)
- 03/2012 – 07/2015      Bachelor of Science in Molecular and Technical Medicine at the Hochschule Furtwangen University, Germany and at the University of Prince Edward Island, Canada (scholarship of Deutscher Akademischer Austauschdienst (DAAD))

### RESEARCH INTEREST

---

Non-invasive brain stimulation (tDCS), brain imaging (fMRI, MEG, MRS), psychiatric disorders (depression, addiction), molecular Neurosciences, brain plasticity, electric field modeling
