

Fourth workshop of IMMUTRAIN

Technology transfer – Data presentation workshop

From Monday 2nd July to Wednesday 4th July, 2018 in Paris

Monday 2nd July, 2018

Scientific soft skills workshop – Intellectual property and patent filing

Véronique MARCADE, French and European Patent Attorney

Place: Les Cordeliers

Room: Salle DANTON

14.00	Start of the workshop
-------	-----------------------

18.00	Dinner TBD
-------	------------

Tuesday 3rd July, 2018

Scientific soft skills workshop – Technology transfer: theory to practice

Lauren SOSDIAN and Tim HART (Oxentia)

Place: Les Cordeliers

Room: Salle DANTON

09.00 – 09.10	Course Introduction and expected learning outcomes
---------------	--

09.10 – 09.40	Why innovate as a researcher?
---------------	-------------------------------

09.40 – 10.30	Practical aspects of the licensing and spin-out process from a researchers perspective
---------------	--

10.30 – 10.50	Coffee break
---------------	--------------

10.50 – 11.50	Commercial partnering in innovation work – an interactive game
---------------	--

11.50 – 12.20	What drives innovation in academic research work
---------------	--

12.20 – 13.00	History, trends and best practice in life science commercialisation
---------------	---

13.00 – 14.00	Lunch
---------------	-------

14.00 – 14.30	Managing IP within research work
---------------	----------------------------------

14.30 – 15.00	Engagement and communication strategies for funding and collaboration outside of academia
---------------	---

15.00 – 15.15	Coffee break
---------------	--------------

15.15 – 16.00	Commercialisation case studies in cancer immunotherapies
---------------	--

16.00 – 17.00	Life sciences commercialisation board game
---------------	--

17.00 – 17.30	Review key learning points and course wrap-up
---------------	---

18.00-19.00	Meeting of ESR and Simone Gautier, Project Manager: training issues on European level
-------------	--

20.00	Dinner TBD
-------	------------

Wednesday 4th July, 2018

Immutrainees data presentation

Place: Les Cordeliers

Room: Amphithéâtre GUSTAVE ROUSSY

09.00-09.30	ESR 1 Javier Suarez Gosalvez
-------------	------------------------------

09.30-10.00	ESR2 Mohamed-Reda Benmebarek
-------------	------------------------------

10.00-10.30	ESR3 Anna Di Biase
-------------	--------------------

10.30-11.00	Coffee break
-------------	--------------

11.00-11.30	ESR5 Ana Micaela Carnaz Simões
-------------	--------------------------------

11.30-12.00	ESR6 Siret Tahk
-------------	-----------------

12.00-13.30	Lunch
-------------	-------

13.30-14.00	ESR7 Alexandre Taleb
14.00-14.30	ESR8 Abbass Darwich
14.30-15.00	ESR9 Natasja Balneger
15.00-15.30	ESR10 Athanasios Seretis
15.30-16.00	ESR11 Conrad Rauber
16.00-16.30	Coffee break
16.30-17.00	ESR13 Simone Formisano
17.00-17.30	ESR14 Marta Contreras Alcalde
17.30-18.00	ESR15 Xavier Catena Parrado
20.00	Dinner at Le Train Bleu (Metro "Paris Gare de Lyon" – The restaurant is inside the train station "Gare de Lyon")

IMMUTRAIN conference at 12th Miltenyi Biotech Scientific Days

From Thursday 5th July to Friday 6th July, 2018 in Paris

Thursday 5th July, 2018

12th Miltenyi Biotech Scientific Days: Immuno-oncology: heterogeneous cells battling in the tumor microenvironment

Place: Les Cordeliers

Room: Amphithéâtre Farabeuf

Thursday, July 5

08:30 a.m. – 11:00 p.m.

08:30 a.m. **Opening**

Daniel Louvard, France

08:45 a.m. **Heterogeneity of immune cells and cancer antigens in cancer vaccines and immunotherapy: mouse models and translation to human clinical trials**

Jay A. Berzofsky, USA

09:30 a.m. **Immunotherapy of cancers: clinical experimentation**

Fabrice André, France

10:00 a.m. **Programming tissue residency to enhance immunity to infection and tumors**

Ananda W. Goldrath, USA

10:30 a.m. **Coffee break**

11:00 a.m. **Host-Microbiome interactions – reality or myth?**

Harry Sokol, France

11:30 a.m. **From initiation to treatment: microbial influences in carcinogenesis**

Christian Jobin, USA

12:00 p.m. **Lunch break**

02:00 p.m. **Defining molecular identity of intratumoral T cells to design better cancer immunotherapies**

Sergio Abrignani, Italy

02:30 p.m. **Molecular and epigenetic programs defining tumor-specific T cell dysfunction**

Andrea Schietenger, USA

03:00 p.m. **Immune parameters for predicting patient outcome**

Christian Ottensmeier, UK

03:30 p.m. **Coffee break**

04:00 p.m. **IL-18 drives immunosuppression in multiple myeloma**

Ludovic Martinet, France

04:30 p.m. **Induction and transcriptional regulation of the "co-inhibitory" gene module in T cells**

Vijay Kuchroo, USA

Join the celebration party

"20th Year Miltenyi Biotech France" at 05:00 p.m.

6th Supervisory Board Meeting

12.00 -14.00

Working lunch for the project leaders, the representatives of the ESR and the project management team

Room: Salle DANTON

Friday 6th July, 2018

12th Miltenyi Biotech Scientific Days: Immuno-oncology: heterogeneous cells battling in the tumor microenvironment

Place: Les Cordeliers

Room: Amphithéâtre Farabeuf

Friday, July 6

08:30 a.m.–04:30 p.m.

- | | | | |
|-------------------|--|-------------------|---|
| 08:30 a.m. | Welcome
Laurence Zitvogel / Guido Kroemer /
Hervé Fridman, France | 02:00 p.m. | Dynamics of epigenetic traits in
triple-negative breast cancer
Céline Vallot, France |
| 08:45 a.m. | Immunosurveillance and immune escape:
the rules governing the game
Robert Schreiber, USA | 02:30 p.m. | Single-cell transcriptomic network
inference as a new approach to better
characterize autoinflammatory diseases
Mickaël Ménager, France |
| 09:30 a.m. | The role of GM-CSF in graft-vs-host
disease: uncoupling of GvHD and
GvL immunity
Burkhardt Becher, Switzerland | 03:00 p.m. | Deep immune profiling of cancers:
at the frontiers of technology
E. John Wherry, USA |
| 10:00 a.m. | Myeloid cells contribution to tumor
outcome
Miriam Merad, USA | 03:30 p.m. | Coffee break |
| 10:30 a.m. | Coffee break | 04:00 p.m. | Metabolic interventions for the
immunoprophylaxis of breast cancer
Guido Kroemer, France |
| 11:00 a.m. | Genetic screens to identify
immunotherapy targets
Nicholas Haining, USA | 04:30 p.m. | Closing / Farewell
Jean Magon, France |
| 11:30 a.m. | Cancer evolution and immune escape:
TRACERx
Charles Swanton, UK | | |
| 12:00 p.m. | Lunch break | | |
